

There's more to being in our Gruppe than just cool stickers and knowing that a regime of tech-savvy Volkswagen gurus are never more than a click away. The DasVolks Vintage Volkswagen Gruppe is for anyone interested in all models, makes and years of vintage Volkswagens. Whether you are new or old to the hobby, have a show winning Volkswagen, or a daily driver. Even if you just want to keep up-to-date on what's happening in the northeast, the DasVolks Vintage Volkswagen Gruppe is the place for you. We're a small club of sorts, with members from across the United States. We're an association of individuals who largely own air-cooled vehicles of every shape and size. Though our focus is primarily air-cooled, we invite any Volkswagen owner of any year to join.
